To the Members of the Class of 1994,

Education equals power--the power to express oneself, weigh meanings, make evaluations and informed judgements. Good education also enhances a person's ability to imagine, create appreciate other points of view and work cooperatively with others. A person with a strong education usually has self-pride, self-discipline and a sense of optimism for his/her life.

While at Mt. Everett, you sought that power and you helped us open up new pathways to learning for yourselves and your present and future peers by accepting and engaging in the Odyssey schedule. I say to each of you **BRAVO**--may you never be afraid to "step out of line" to reach for your potential.

May your lives continue to be interesting and constructive.

Thomas A. Consolati
Superintendent of Schools

Dear Graduates,

Although you will probably be reading this letter sometime in June, I'm writing it on November 18--the week before Thanksgiving. Drawing on the Thanksgiving theme, I feel very lucky and thankful for being welcomed as part of the Mount Everett community. Living in Sheffield and working at Mount Everett has been a wonderful experience for my wife and for me. It can be easy to take things for granted, but take it from me, after having lived and worked elsewhere, Mount Everett is a unique and wonderful school. The student body along with staff and parents all contribute to this atmosphere.

To borrow from what I feel were wise words made in a speech by Jim Valvano, it is important for us as human beings to take time to work, to think, and to play each day. At any given time at Mount Everett, I feel you could observe any of these items. It has been inspiring to be part of a faculty so dedicated to improvement who continually demonstrate a willingness to work hard. Students working together in everything from community service, planning student activities, building greenhouses, to Project E- have been a breath of fresh air. It has been fun!

When I spoke with you as a group in the auditorium back in early September, I told you that come June when we shake hands and you get your diplomas, I would hope that you would feel prepared, apprehensive yet confident, and have a plan. I hope this has come to pass. Your vision or your plan is critical. It will provide you with a sense of satisfaction in your life, as well as a reason to get up in the morning. I hope Mount Everett has helped you establish that vision. We stand ready to assist you in either fulfilling or reshaping it in the future. Best wishes and good luck.

Glenn Devoti
Assistant Principal/Designated
Principal

FACULTY/PERSONNEL

Odyssey Continues

This year, the Massachusetts Educational Reform Bill has brought about many changes for schools and educators, including the creation of school councils and changes in the manner teachers are hired and released. At Mount Everett, the Odyssey program continues as the faculty considers (1) joining the Coalition of Essential Schools and (2) making schedule adjustments that will allow true interdisciplinary teaching.

Measure for Measure

By Caroline Swain/Megan Pezzee

Shakespeare and Company returned for another season at Mt. Everett. This year, the emotional and hilarious play, *Measure for Measure*, was chosen by our two directors, Andrew Borthwick-Lesley and Robin Hynek. After three performances at Mt. Everett, we took the show to B.C.C. to participate with ten other schools in the annual Fall Festival of Shakespeare.

The 1993 season for the Eagles was exciting. We were underdogs going into the season; we won against Northern division favorites Drury and Hoosac, also beating arch-rival Monument Mountain. The team was led by head coach Bob Gauthier and assistant Coach Bill Gillooly. Seniors were Bill Goewey, Jeff Gullotta, Pablo Sarobe, Nate Sullivan, Alex Simpson, Dan Lowe, and Chris Callahan. The rest of the team were junior Chris Farnum, sophomores Tucker Gillooly and John Sarno, and eighth grader William Conklin. The out look for the 1994 season is good.

GIRLS' BASKETBALL

New and Young

By Tricia Storti

New varsity coach Andy Troiano and Senior Captain Robin Grady led the fairly young team through a hard season. Finishing with a five and fifteen record, every single member worked her hardest. The junior varsity team, also led by a new coach, Don Zigmand, finished well for being such a young and inexperienced team.

WRESTLING

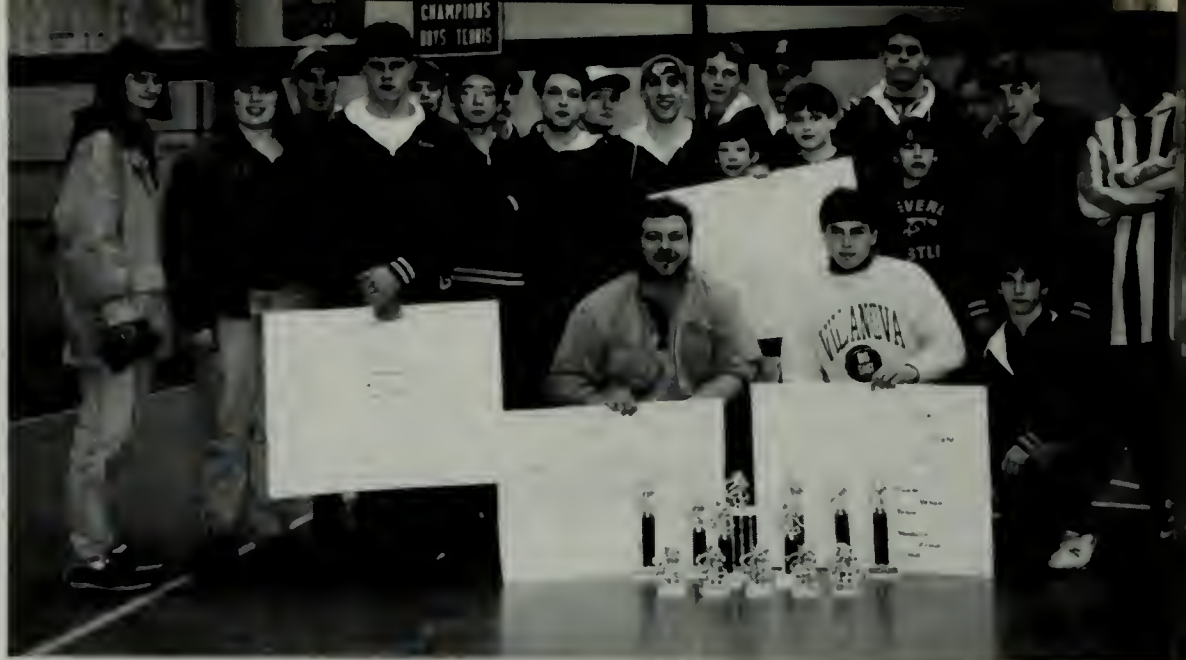

True Grit!

By Kevin Ohman

This year the Mt. Everett Eagles' wrestling team won first place in the Mt. Everett 3rd Annual Invitational Tournament. While this in itself is a great accomplishment, it is also the first tournament won by the wrestling team in the history of the school. The wrestling team also had three second-place wins. They defeated teams such as Pittsfield and McCann in dual meets. The team is very proud of their success, and their goal to be league champions seems very attainable in the 1994-95 season.

CHEERLEADING

Exciting!

by Chrissy Barbieri

This year has been another exciting experience for Mount Everett and its thirteen cheerleaders. Under the guidance of Coaches Judy Ullrich and Mary Jane White (for the second year), the cheerleaders perfected new cheers and a dance routine. As promoters of school spirit, they serve as many of the sports events as possible.

Girls Win Volleyball Championship

This season was a very exciting one for the Lady Eagles' volleyball team. The varsity team had a record of 8-1 and went all the way to win the Berkshire County Championship. At the tournament, Mt. Everett beat Monument Mountain 15-13 and 25-17 to give Monument their first loss in two years. The girls' hard work, devotion, and steadfastness earned them the title. Coach Lloyd White provided the pep talks and winning strategies.

Junior varsity, coached by Brandon White, consisted of nearly all new players and gained second place with a 6-2 record.

The girls enjoyed the season and are looking forward to another great season next year.

TRIP

April in Paris (and Madrid)

By Megan Pezzee

Paris and Madrid were the beautiful settings for the exciting trip taken by a motley crew of French and Spanish students from Mt. Everett last April. We were accompanied by Mlle Marquet, Sr. Peron, and Mrs. Van Orman. Retiro Park, La Plaza Mayor, Notre Dame, and Versailles were some of the unforgettable sights taken in (and endlessly photographed). For most of us, it was a first taste of Europe, and if we bring enough money (and Lysol), don't forget our passports, and skip the paella, we just might be able to return someday.
